Tá an chathair ag titim as a chéile agus tá na graificí an-réadúil. *The city is falling apart and the graphics are very realistic.*

Píosa eolais 2

Chruthaigh é; an comhlacht céanna a chruthaigh.... ... *created it; the same company that created...*

Tá na graificí cosúil le *The graphics are like*

Ach tá an caighdeán níos airde *but the standard is higher*

Míbhuntáiste amháin

Tá dhá mhíbhuntáiste **ag baint leis an gcluiche**. *The game has two disadvantages.*

Caithim an iomarca ama ag imirt an chluiche agus déanaim dearmad ar m'obair bhaile. *I spend too much time playing the game and I forget my homework.*

Bím i dtrioblóid ar scoil go minic **mar gheall air!** *I'm in trouble at school often because of it!*

Míbhuntáiste 2

Bhí tú i dtrioblóid ar scoil fad a bhí do thuismitheoirí as baile. Scríobh litir chucu ag insint dóibh cad a tharla.

An fáth go raibh tú i dtrioblóid

Tá drochscéal agam daoibh. I have bad news for you. Bhí mé i dtrioblóid ar scoil an Luan seo caite. I was in trouble in school last Monday. Bhí mé ag pleidhíocht sa seomra ranga agus bhuaíl mé Jack ar a shrón. I was messing in the classroom and I hit Jack on his nose. Bhí sé go huafásach! It was horrible! Thosaigh a shrón ag cur fola agus nuair a tháinig an múinteoir isteach bhí sí ar buíle! His nose starting bleeding and when the teacher came in she was furious!

An pionós a cuireadh ort

Cuireadh an fionraí mé, creid nó ná creid! I was suspended, believe it or not! Caithfidh mé fanacht sa teach go ceann trí lá agus caithfidh sibh bualadh leis an bpríomhoide nuair a fhúllfidh sibh. I have to stay in the house for three days and you have to meet with the principal when you return.

dhá chúis nach raibh tú róshásta leis an bpionós:

Cúis 1

Níl mé sásta leis an bpionós ar chor ar bith. I'm not happy with the punishment at all. Chuaigh an múinteoir thar fóir. The teacher went overboard. Thosaigh Jack ag troid liomsa! Jack started fighting with me! Ní raibh cothrom na féinne ann. It wasn't fair.

Cúis 2

Tá leadrán an domhain orm sa bhaile. I'm really bored at home. Caithim an lá ag féachaint ar an teilifís agus ag déanamh obair tí. I spend the day watching television and doing house-work. A Thiarcais! Tá an rang ag dul ar turas scoile go dtí feirm agus níl cead agam dul. Lord! The class is going on a school trip to a farm and I'm not allowed go.

Pointe ar bith eile i dtaobh na trioblóide

Tá srón Jack ceart go leor anois. Jack's nose is ok now. Níor bhris mé é, buíochas le Dia! I didn't break it, thanks be to God! Níl sé feargach liom mar tuigeann sé gur tharla sé trí thimpiste. He's not angry with me because he understands that it happened by accident.

Bhí ort aistriú go scoil nua. Scríobh an litir a chuirfeá chuig cara leat ag insint dó/di faoin scoil nua.

an scoil agus na háiseanna atá inti

Is breá liom an scoil nua. I love the new school. Is pobalscoil mhór í i lár na cathrach. It's a large community school in the city-centre. Tá na háiseanna go hiontach, go háirithe na háiseanna spóirt. The facilities are great, especially the sports facilities. Tá cúirt cispheile, páirceanna imeartha pitches, cúirt leadóige agus halla spóirt mór inti.

na daltaí i do rang

Tá a lán cairde nua déanta agam. I have made a lot of friends in school. Réitím go maith leis na daltaí go léir i mo rang. I get on well with all the students in my class. Fan go gcloisfidh tú! Wait til you here! Bhuaíl mé le cailín dathúil. I met a good-looking girl. Ciara is ainm dí. Her name is Ciara. Tá sí an-chairdeúil agus cainteach. She is very friendly and chatty.

fadhb atá agat sa scoil nua

Ní réitím leis na múinteoirí ar fad, chun an fhírinne a rá. I don't get on with all the teachers, to tell the truth. Tá mo mhúinteoir Gaeilge an-chrosta agus cancrach. My Irish teacher is very cross and cranky. Bhí mé ag pleidhciócht sa rang an Luan seo caite agus bhí sí ar buile! I was messing in the class last Monday and she was furious. Chuir sí ar fionraí mé, an gcreidfeá? She suspended me, would you believe? Chuaigh sí thar fóir. She went overboard.

rud suimiúil a tharla an tseachtain seo caite

Fan go gcloisfidh tú cad a tharla an tseachtain seo caite! Wait til you hear what happened last week! Osclaíodh seomra ceoil nua-aimseartha i mo scoil, agus bhí Glen Hansard ann mar aoí speisialta! I ndáiríre! A new, modern music room opened in the school, and Glen Hansard was there as a special guest. Seriously! Bhuaíl mé leis agus fuair mé síníú! Bhí mé ar mhúin na muice! I met him and I got an autograph! I was delighted!

cathain a fheicfidh tú do chara den chéad uair eile

Feicfidh mé tú ag an deireadh seachtaine. I'll see you at the weekend. Tá mé ag síúl go mór leis. I'm really looking forward to it. Ar mhaithe leat bualadh liom ag an bpictiúrlann ar a hocht a chlog? Would you like to meet me at the cinema at eight o'clock? Rachaimid go dtí an bhialann roimh an scannán? We'll go to the cinema before the film.
